

# Taleo Technical Support Page

Please use the following e-mail addresses for technical support or questions concerning the use of the Taleo applicant tracking system. **Please ensure you select the country where you are applying for a job and not the country you live in.**

Include the following information in your e- mail:

- first name and surname for reply
- specific problem and the details
- e-mail address for reply
- country of residence

If the country you wish to apply for a job in is not listed below then please return to [www.syngentajobs.com](http://www.syngentajobs.com) and choose the appropriate country.
